

The Aliens and the Superheroes part 2

Previously on Mythology creatures and superheroes there was a battle for the daggers and capes, you might remember that the monsters and aliens were digging. So Henry the Superhero kecked them, Fred the Superhero punched them, Jane the Superhero put magic spells on them.

“Oh no! the Aliens are using the magic powers to take away all our superpowers” said the leader. “Calling on all Superhero’s”. “We still have a punching technique and cape whacking”

Together the Superheroes punched and kicked and kick whacked the Aliens, they got back their trophies. Then the princes of all the lands awarded them to go be the guardians of the palace.

The End
