Gabo was at his house getting ready for a stargazing party at Aba and Abo's. He went to bed. But that night Gabo couldn't sleep. So he went on an adventure, and then he heard a noise. It was the superheroes that were going to fight the Secret Princess of Japan. Gabo saw the superheroes; he rubbed his eyes. He said "Henry? Is that you? This has to be a dream!!". The superheroes said, "Gabo, can you help us fight the Secret Princess of Japan?" Gabo said "wait, it's midnight, I should go to bed" The superheroes, said "It's your birthday! you can stay as late as you want." Gabo said, "How do you know it is my birthday?" The superheroes said, "It's because we saw you about to see the stars" Gabo said "If that's the case, let's go fight the secret Princess of Japan!"

The superheroes saw the Princess of Japan going to the mountain of fog. They saw the zombies, the monster, and the ghosts. The Secret Princess of Japan said "All enemies of the superheroes have come together and work together to defeat the superheroes"

The superheroes jumped out from behind the rock. They said, "Not so fast!"

The secret Princess of Japan said “Quick, everyone hold each other’s hands!” The second they started holding hands, the monster ate all the enemies of the superheroes. The monster said, “I am the most powerful enemy of the superheroes!”. The monster chased the superheroes, The superheroes said “RUNNN!!”.

Gabo said “I can’t run fast enough, the monster is going to eat me!” Gabo got eaten.

The superheroes said “NOOOO!!”

The superheroes defeated the monster. And Gabo came out of the monster. And then they watched the stars on the mountain.

While they were watching the stars, the villains came out of the monster. The slime started to connect, and the monster came back. The monster said, “we will unite! Unleash the snake that devourers! HAHAAH!”
